Show Regulations

- Entries cannot be accepted, cancelled, altered or substituted, after the entries have closed, except as provided for in Chapter 11, Section 6 of the Rules Applying to Dog Shows.
- This club and/or Secretary assume no responsibility for wrong or incomplete information given on the entry blank by the owner or agent. This club and its Secretary assume no responsibility for the owner or the owner's agent entering a dog in a class in which it is not eligible to compete, or for entering the dog twice.
- Entry fees shall not be refunded in the event that a dog is absent, disqualified, lame, excused by Veterinarian or Judge, or because it has been entered incorrectly, or barred from competition by action of the Show Committee. There is no refund for duplicate entries. If because of riots, civil disturbances or other acts beyond the control of the management it is impossible to open or to complete the show, no refund of entry fee will be made.
- The Show-giving club is not responsible for the loss of, damage to, or death of any dog exhibited or for the possessions of any participant, whether the result of accident or any other cause. It is expressly understood that every dog at this show is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Do not leave dogs in closed vehicles.
- The welfare of any exhibitor's/spectator's child is the responsibility of the exhibitor/spectator. It is expressly understood that exhibitors/spectators will exercise control and restraint over their children on the site and surrounding areas. The Show-giving Club is not responsible for theft or damage to vehicles or personal property.
- The Kennel Club may decline any entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness or other causes and no one shall have any claim or recourse against the Kennel Club or any official thereof.
- Judges are not required to wait for dogs. The owner or handler of each dog is solely responsible for having it ready at ringside. The show-giving Club and the Secretary have no obligation or responsibility for providing service through a public address system or stewards for the purpose of calling or locating dogs that are not brought into the ring when required. Dogs may arrive any time prior to their scheduled time of judging. Dogs not required for further judging will be excused.
- All dogs present must be held on leash except when being judged.
- Class Cash Prizes will be paid in the ring to the person showing the dog. Claims for prize money must be made in the ring before the judging of that class is over, and the Secretary advised at once. The Secretary and Show-giving Club disclaim any liability for cash prizes after the judging of the class is over.

PLEASE CLEAN UP AFTER YOUR DOGS. THANK YOU.

AKC Schedule of points for Division 1

EFFECTIVE MAY 12, 2026

- Division 1 is comprised of: Connecticut, Maine, Massachusetts, New Hampshire, New York, Rhode Island, Vermont
- The points towards a Championship shall be awarded to the winner's Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.
- If the dog designated Winner's Dog or Winner's Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.
- If the dog designated Winner's Dog or Winner's Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety and that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.
- After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.
- In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

AKC Code of Sportsmanship

The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the AKC, or themselves while taking part in the sport
